DERMASTIR MULTIENZYME CLEANSERS

Dermastir Multienzyme Cleansers completely remove debris and dulling surface cells. Active ingredients, guaranteed by the airless Dermastir packaging, purify and cleanse the skin. Dermastir multienzyme cleanser removes even long-wearing facial make-up and sunscreens. Its residue-free formula leaves skin immaculate, radiant and totally energized.

OILY TO COMBINATION

NORMAL TO DRY

200 ml

DERMASTIR FOAMING CLEANSER

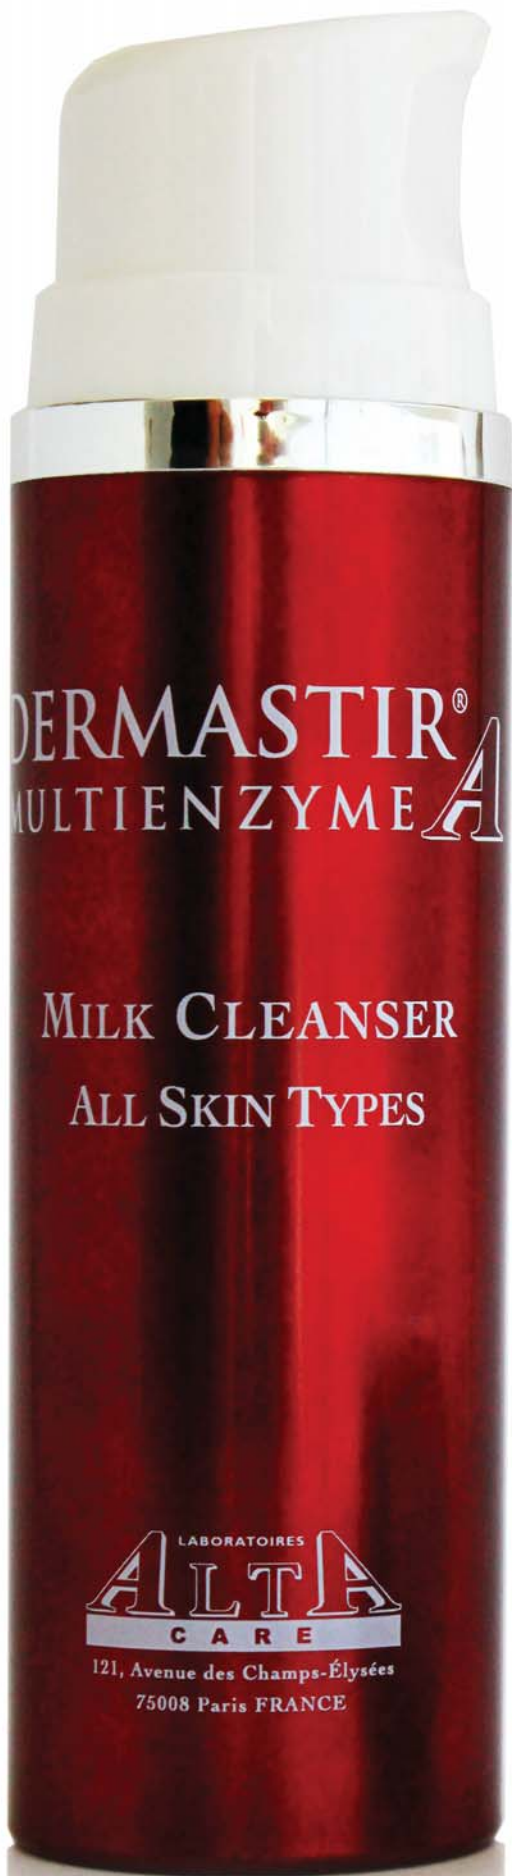

This lightweight foaming cleanser for all skin types deeply cleans pores, removes excess oils and clears surface impurities, leaving the skin feeling completely refreshed. It removes excess oils without causing dryness.

150ml

DERMASTIR GOMMAGE SCRUB

Designed for congested and rough skin, this mild exfoliating gel combines natural luffa microbeads with gentle cleansing and hydrating agents to thoroughly cleanse pores and promote healthy cell renewal without damaging or drying the skin.

150ml

**DERMASTIR MULTIENZYME
MILK CLEANSER 150 ml**

Dermastir Milk Cleanser carries out a very gentle cleansing and respects the balance of the skin, thus preventing irritation. Dermastir Milk Cleanser cleans deeply all skin types, even the most sensitive ones. The skin is deeply cleansed, regains softness, breathes better and is ready to receive subsequent treatments.

**DERMASTIR MULTIREPAIR
MATTIFYING TONER 150 ml**

Gentle Mattifying Toner developed to help control oil and clarify skins that are oily in the T-zone. It de-flakes skin's surface to smooth and reveal clearer skin. Multi-tasking oil-free formula in an airless packaging that smooths, clears away debris to instantly reduce the look of pores. The formula goes on to strengthen pore walls over time, so they snap back into shape.
